Welcome to our practice!

On behalf of our staff, we would like to welcome you to our family. We are honored that you have selected us to care for your dental needs and we look forward to meeting you!

We are committed, together, to provide you with the highest quality of oral health care. We take pride in the passion we have for dentistry and the effects good oral care has on your life. Our emphasis is on early prevention, but we provide a wide range of cosmetic, restorative and emergency services.

Our primary goal, is to provide you with the most updated oral knowledge to retain your healthy, natural teeth. With this in mind, during your first visit, a comprehensive examination will be completed. This exam will include necessary x-rays and intra oral pictures allowing us to diagnose the condition of your mouth, teeth and gums. Your dental condition will be determined at this visit, and a personalized dental treatment plan will be discussed with you.

We appreciate the value of your time, you can be assured we will do our very best to be on time for you. We will appreciate the same courtesy. We expect at least **48**-hour advance notice for appointment cancellation to allow us to schedule your reserved time to another patient in need. We do not see patients on Fridays, so Thursday is our last business working business day.

If you have dental and medical insurance, please bring your insurance card and your dental benefit booklet (if one was provided) and we can go over how your insurance might assist you. If a card is not provided please have all insurance information, subscriber employer, subscriber name, address, subscriber ID #, subscriber DOB, subscriber social security # and we will do our best to verify your benefits before the time of payment. Insurance is not a guarantee of payment and patients are responsible for any remaining portions not paid by insurance. All balance must be paid in full within 30 days.

Our payment options are cash, checks no more than \$300, credit card and we also have financing options available with Care Credit and Lending Club.

Should you have any questions about our practice, services, or policies please do not hesitate to contact our office or visit our website at www.nicklesdental.com. Our new patient registration forms are available to be emailed to you for you to download and fill out prior to your initial visit or you can download them from the website. If you don't have access to the internet or a printer, please arrive 10 to 15 minutes before your scheduled appointment to complete registration forms. We look forward to your visit!

Sincerely,

Dr. Daniel A. Nickles
